## Listening texts

1-There are different competitions from time to time. Nowadays, there is a competition to show how creative children are! They want children between the ages of five and fifteen to send their creative works. Their works will appear in a big art exhibition in the city museum. There are so many different ways children can express themselves. They could send a painting, a photo, a poem, a story, or any other creative work.

2-Hello! I am Ali. I moved into a new apartment a month ago, and I'm so happy because I have a new bedroom!! I love my new room. It's a very light and comfortable room. I share it with my brother, Maged, and we're good friends. We have a long desk for our PCs so we can do our homework in our bedroom.

3-I think the blender is the best kitchen appliance! If it's hot tomorrow. I'll make a smoothie with fruit and ice! Blenders are also useful in medicine. For example. Dr Jonas Salk was a famous scientist. In 1953, he used a blender to make a vaccine. His vaccine has saved millions of lives. People won't get sick if they have a vaccine.

4-The Sibelius monument was built in 1967 to celebrate the famous musician Jean Sibelius, who died in 1957. Sibelius was from Finland, a country in northern Europe. Sibelius's work is still popular today and played at concerts and in theaters all around the world.
