**"Your visit to the Luxor Temple"**

Last week, I visited the Luxor Temple. It's a large ancient Egyptian temple. It's on the east bank of the Nile River in Luxor. The ancient Egyptians built it around 1400 BCE. It is important for understanding life in Ancient Egypt because the writing on its walls gives us very interesting and useful information about language and religion over 3,000 years ago. You can see beautiful paintings on its walls, but the temple is so old, you cannot see all of the colors in the paintings on its walls. Some people are working to clean and repair the paintings. That's so cool!
